Membership in the Society of American Military Engineers (SAME) is open to persons and organizations with an interest in military engineering, a desire to increase the engineering potential of the United States for national security, and to further the objectives of SAME.

## MISSION

To promote and facilitate engineering support for national security by developing and enhancing relationships and competencies among uniformed services, public and private sector engineers, and related professionals.

## VISION

To be a premier global engineering organization leading the professional and personal growth of all members in support of military readiness and development of solutions to national security challenges.

## VALUES

### **Integrity**

Unwavering commitment to always do what is right, regardless of consequences.

### **Patriotism**

Support our national ideals and take pride in our country.

### **Public Service**

Recognize the critical contribution that public servants play in supporting the Economic and environmental needs of the nation.

### **National Security**

Recognize the dedication of our National Security team comprised of uniform services, civil service and contractors in defending freedom.

### **Technical Competence**

Deliver high quality solutions.

### **Excellence**

Strive for the highest standards of performance in all actions, both personal and professional.

### **Environmental Stewardship**

Preserve, protect, conserve and restore our national resources through sustainable development.

## JOIN SAME TODAY

SAME Individual Memberships offer professionals in the A/E/C field the opportunity to develop important business contacts through national and regional events, and build those relationships further through our worldwide network of Posts.

As an SAME Member, you can:
